whole or in part the coverage afforded under this Policy, whether or not such other insurance provides coverage for **Loss** resulting directly from any **Cyber Incident, Extortion Threat, Security Breach, or Claim** taking place prior to its effective date.

With respect to Loss covered under Insuring Agreement 4 . Business Income and Extra Expense, the amount of ~~%~~business income+will be determined based on consideration of:

- a. the net income generated from Your **E-commerce Activities** before the **Interruption** occurred;
- b. The likely net income generated by Your **E-commerce Activities** if no **Interruption** had occurred, but not including any net income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the **Cyber Incident** on customers or on other businesses;
- c. The operating expenses, including payroll, necessary to resume Your **E-commerce Activities** with the same quality of service that existed before the **Interruption**; and

However, the amount of "business income" will be reduced to the extent that the reduction in the volume of business from the affected **E-commerce Activities** is offset by an increase in the volume of business from other channels of commerce such as via telephone, mail or other sources.

With respect to Loss covered under Insuring Agreement 4 . Business Income and Extra Expense, the amount of ~~%~~extra expense+will be determined based on:

- a. necessary expenses that exceed the normal operating expenses that would have been incurred in the course of Your **E-commerce Activities** during the period of coverage if no **Interruption** had occurred. We will deduct from the total of such expenses the salvage value that remains of any property bought for temporary use during the period of coverage once Your **E-commerce Activities** are resumed; and
- b. Necessary expenses that reduce the "business income" **Loss** that otherwise would have been incurred during the period of coverage.

#### 17. **Confidentiality**

Under Insuring Agreement 2 - Extortion Threats, **Insureds** must make every reasonable effort not to divulge the existence of this coverage.

THIS DOCUMENT AND ALL INFORMATION CONTAINED HEREIN ARE THE RESULT OF PRODUCT TESTING AND ARE NOT BINDING UPON ANY PARTY IN ANY WAY.

or **Claim** and which did not terminate at the time this Policy became effective:

We will not pay for any **Loss** resulting directly from any **Cyber Incident, Extortion Threat, Security Breach**, or **Claim** that occurred during the Policy Period of that prior insurance which is **Discovered** during such extended period of time, unless the amount of that **Loss** exceeds the Limit of Insurance and Deductible Amount of that prior insurance. In that case, We will pay for the excess **Loss** subject to the terms and conditions of this Policy.

However, any payment We make for the excess **Loss** will not be greater than the difference between the Limit of Insurance and Deductible Amount of that prior insurance and the Limit of Insurance shown in the Declarations.
